

The Advent Protected Cell facility offers a ready-made capitalised structure as a platform to support an 'own-risk' captive insurance programme. Based in Malta and able to take advantage of EU passporting rights, Advent Insurance PCC (formerly Abbey International Insurance PCC Limited) offers the potential for businesses to minimise their cost-of-risk by including a formal self-insurance programme within their overall risk-financing arrangements.

CLIENT

Professional Firms – Lawyers and Accountants etc (Cell Owner)

PURPOSE

To self-insure, in a cost-effective and efficient manner, the primary portion of a P.I. insurance programme.

STRUCTURE
